When the Diwali Crackers Are Too Loud

littlestorybook.ai

Diwali Night

My name is Jai. On Diwali night, some people light crackers and fireworks outside. This story is about the loud bangs.

Bangs and Colours

Crackers make big bangs. Fireworks make bright colours in the sky. They are usually far away, over the rooftops.

Very Loud

Sometimes the bangs feel very loud to me. Many children feel surprised by the bangs. That is okay.

Laddoo Too

Dogs like Laddoo often do not like the bangs either. Laddoo likes his cosy basket with his blanket.

My Ear Muffs

I can try putting on my ear muffs when the bangs start. They are soft and red. They make the bangs quieter.

At the Window

The window is a good place to watch the colours.
The glass and the walls make the bangs softer.

It Stops

The bangs usually stop after a while. Then the night is quiet again. The diyas still glow by the door.

Warm and Happy

I take off my ear muffs. Laddoo wags his tail. Diwali feels warm and happy again.
